

kaptivo

# kaptivo for zoomrooms

Dry-erase board content live-streamed into your Zoom Meeting.  
Transform any whiteboard into a collaborative whiteboard from just \$295 + \$10/month.

## A Zoom Room Whiteboard – Where Usability Meets Affordability

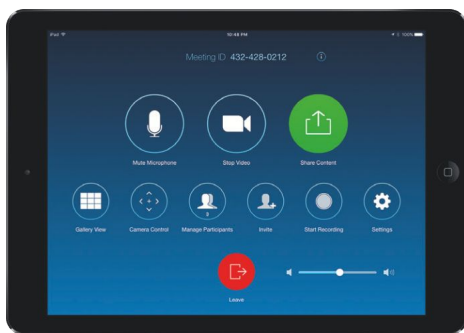

Install Kaptivo’s digital whiteboard camera above your existing whiteboard to stream images with no glare, smudges, or people blocking the board

No apps, plugins, logins, or special pens required! In a meeting, simply select the Kaptivo input on any room control device, including Polycom Trio, Crestron Mercury, and tablets

Connect your meeting room dry-erase whiteboard to Zoom Rooms from just \$295 + \$10/month
